REF: (A) HUL-A-677
(B) GUAT 523

1. Please explain soonest why you are unable to use more than one out of seven cartoons, as stated in reference (B). We are most anxious to provide your outlets with all possible material, both texts and pictures, and ought therefore to know -- for our future guidance -- what prevents you from using the other six cartoons. In particular, please inform us whether you simply cannot use that many cartoons or whether it was the specific contents of the rejected cartoons which prevent their publication.

2. For [ ] Please release the other six cartoons (that is, with the exception of 2-dog see reference (B)) which were sent to you with reference (A) to HEGARTY who may make any use of them which he sees fit. We are especially anxious to see cartoon 2-charlie (vertical strip of three, "Reforma Agraria") given the widest possible distribution into WSBURNT, perhaps printed on handbills which might be used in HEGARTY's intended balloon operation - Comm if Possible.
